ABOUT ME

I am a final-year Computer Science student with a good understanding of programming and web development. I have practiced problem-solving regularly to improve my skills. I'm interested in full stack development and AI/ML, and I enjoy learning new technologies. I am looking for an opportunity where I can apply what I've learned, grow my skills, contribute to real projects and be part of a creative, collaborative team.

EDUCATION

Avanthi institute of engineering and Technology, Makavarapalem

MONTH 2022 - present   — *BTech*

CGPA:8.45

Govt junior college, Krishnadevipeta

MONTH 2020 - MONTH 2022   — *Intermediate*

percentage:94%

Zp high school, Krishnadevipeta

 MONTH 2020   — *Schooling*

percentage:97%

PROJECTS

Portfolio Website – *HTML, CSS, JavaScript*
Developed a personal portfolio showcasing projects, skills, and contact info with a clean, responsive design.

Student Attendance Management System (SAMS) – React.js, Node.js,PostgreSQL
Collaborative full-stack project with role-based dashboards for managing attendance, timetables, and student attendance data.

CalmondCode (Fast Food Site) – *HTML, CSS, JavaScript, Node.js*
Built a fast-food website with dynamic product management using EJS templates and backend CRUD operations.

ACHIEVEMENTS

1st Place – Coding Contest, *Synergy 2025*, Avanthi Institute of Engineering & Technology
 Won first place in a timed competitive coding event by solving multiple algorithmic problems with optimal logic and code efficiency.

1st Place – Technical PPT Presentation, *Synergy 2025*
Presented on **"What is AI: Tools & Real-World Use Cases"**, showcasing AI fundamentals, practical applications across industries and Recognized for clear communication, teamwork, and technical depth.

SKILLS

PROGRAMMING
Languages
- Advance : Java, Python
- Intermediate : Javascript
- Novice: C

Tools
- GIT
- Github
- Linux
- Windows

Technologies
- Frontend: Html,Css,Javascript,React.Js
- Backend : Node js
- Gen AI
- UI/UX

Platforms
- Windows, Ubuntu

OTHERS
- DSA
- Communication
- Collaborative Teamwork
- Project management Skills
- Prompt Engineering

CERTIFICATIONS

Programming in Java – NPTEL (IIT Kharagpur)
Elite Certificate | Jul–Oct 2024
Scored **73%** (Assignments: 24.94/25, Proctored Exam: 48.5/75) in a 12-week course focused on core and advanced Java programming concepts.

Full Stack Java – ExcelR (APSCHE Internship)
 Jul 2024
Completed a 6-week short-term internship in **Full Stack Java Development**, covering frontend, backend, REST APIs, and deployment practices.

Python Intermediate – Sololearn
 Issued Jun 2023
Demonstrated theoretical and practical skills in intermediate Python, including data structures, functions, and error handling.
